FROM :

SUBJECT: GEARY, Leo, Colonel (KH Briefing)

In connection with implementation of CS-4729-59-KH, I feel it is necessary to apprise Colonel Geary of KH. Therefore, I believe he should be briefed by the Air Force administrator of KH, but not charged to their TO and be justified as a Support Officer to Operations. If you agree, may I ask you to arrange for the briefing and let me know of the results, so that I can discuss a division of responsibility with Colonel Geary.
